

NHSE WT&E London Advanced Clinical Practitioners in Pharmacy Webinar

18th January 2024 – 12.00 to 13.00, via Teams

NHSE WT&E (previously HEE) London Faculty of Advancing Practice and Pharmacy London are hosting a webinar on Advanced Clinical Practitioner Training Opportunities for Pharmacists

Advanced Clinical Practitioners (ACP) in Pharmacy

The webinar will focus on ACP training opportunities for pharmacists from all perspectives to give a better understanding of the access and commitment required, as well as the support to expect from NHSE WT&E when undertaking the training, and benefits of ACP training.

The webinar will showcase the following:

| | |
|-------------------------------------|--|
| ACP Training Offers for Pharmacists | Overview of ACP, training routes and funding available for pharmacists from NHS England WT&E London Faculty of Advancing Practice. |
| Learner's & ACP Role View | Journey of an Advanced Clinical Practice Trainee from Primary Care (TBC) and Secondary Care perspectives. |
| Employer's View | Employer's perspective outlining their role, responsibilities and benefits of ACP training to their organisation. |
| Training Provider's View | University's perspective on requirements of students and NHS Provider organisations, from City, University of London. |

Guest speakers include:

- Diksha Malhotra - ACP Pharmacist working in MHS.
- Bhavin Karania - ACP Pharmacist working in MHS.
- Beryl Navti - Lead Pharmacist, employer, NHS North East London Foundation Trust.
- Athanasia Niarrou - Programme Director, MSc Advanced Clinical Practice, City University of London
- Primary Care speaker TBC.
