

NHSE London: Digital Education Showcase Wednesday 26th March 10am to 4pm

Dear Colleague

The Workforce Training and Education Directorate is delighted to invite you to an exciting virtual event on **Wednesday 26th March 2025**. The day will run from **10:00-16:00 online (MS Teams) and in person at 10 South Colonnade, Canary Wharf**.

The aim of the day is to showcase novel and innovative projects in delivering education using digital technology.

We are inviting proposals from providers, departments and individuals of all professions to present your digital education project.

This should cover what the content was, what digital tools you used, how you evaluated it and what learning you have for others to be able to emulate or do something similar.

We are looking for.

- 8 projects that will be presented as 15-minute slots- 10 minutes for the presentation and 5 minutes for questions.
- 4 projects where you might *demonstrate live* the educational event – either online or in person. These presentations/demonstrations will be for 25 minutes with 5 minutes for questions.

We will also have two plenary sessions from experts in the field to share their expertise and learning.

If you are interested in submitting a proposal from your educational programme, please complete the form at <https://forms.microsoft.com/e/zrun0eSM7A>

We look forward to receiving your proposal, please do share this with others so that we get a full range of proposals. Just to reiterate we are keen to have proposals from all professions at all grades, and indeed multiprofessional learning would be welcomed.

Closing date for the proposals – **Friday 21st February 2025**

Decision and notification – **Friday 28th February or Monday 3rd March 2025**
