ARRS Training Needs Analysis Survey—closing date extended

As part of NWL Training Hubs ARRS planning for the 2025-2026 fiscal year we have put together a short Typeform survey to assess the ARRS workforce about which training areas are needed this includes showing courses that have been run this year and may need to be refreshed/continued as well as requests for new training areas. This will all form planning for the next fiscal year based on receiving funding – The more information I have helps inform the planning for the continued ARRS roles training support. Please complete the Typeform survey on the following link - https://mmjd6hzmepg.typeform.com/to/jx75jVr6 - It should take approx. 5 mins to complete.

Please submit by Friday 7th March 2025, thank you in advance for completing the survey.

Homeless Health – Community of Practice

- 13th March 2025 at 12:00—13:00 join here

Guest speaker for this session will be Dr Sara Ketteley (Consultant Psychiatrist - South Westminster Hub/Victoria PCN/Great Chapel Street Medical Centre, Honorary Senior Lecturer - Imperial College and Local Tutor - Westminster). She will be presenting on the 'Value of mental health formulation and diagnosis and the recognition of multimorbidity/complexity' and there will be an opportunity to ask questions at the end of her presentation. Full agenda can be found here.

Cancer Community of Practice event
