Congratulations to Hammersmith & Fulham Training Hub CIC and NWL Training Hub for their successes in last week's HSJ Partnerships Awards.

They were short listed in two categories – Best Education Programme for the NHS and Most Impactful Project Addressing Health Inequalities. They were the winner of the latter, where the judges said: This outstanding project showcased the power of grassroots change and the vital role of education in driving impact. With the potential to support undergraduate and post graduate training in the UK, it stood out as an inspiring example of frontline clinical leadership. The judges were particularly struck by the message that changes happens with people.

For further information contact : Caroline Durack carolinedurack@nhs.net or Chad Hockey hockey@nhs.net.

Recording of New BTS/NICE/SIGN Asthma Guidelines webinar now available

[Recording now available here](#)

This webinar covers the management of chronic asthma;

- Management of newly diagnosed asthma using the new guidelines – the concept of AIR and MART
- How to complete an AIR/ MART asthma action plan
- How to manage existing patients
- When to refer for specialist care
- FAQs from Primary Care

New NWL Webinars

CYP Asthma Management - 22nd April, 13:00 - 13:45 [book here](#)

Library Services Webinar - 24th April, 13:00 - 14:00 [book here](#)

Respiratory Enhanced Service - 28th April, 13:00 - 14:00 [book here](#)

North West London Evaluation Toolkit launch

- 10 April, 14:15–15:00 [book here](#)

Evaluation is essential in knowing which services, interventions and solutions have the greatest impact. Register today to hear more from the North West London Evaluation Consortium about a brand new tool to support health and care organisations to conduct more frequent and more effective evaluations.

North West London is putting a system-wide focus on a consistent, joined-up approach to evaluation, with a new four-step approach which has been co-designed across the sector. The North West London Evaluation Consortium is launching the region's Evaluation Toolkit, a new website that will support staff of all levels, across all health and care organisations in our patch to conduct more evaluations, with the collective goal of improving outcomes for our local population, patients and staff.

Workforce Planning & Transformation Training

This training aims to support local systems as we work together to deliver the vision of the NHS People Plan. It focuses on building capacity and capability in Workforce Planning and Transformation. It will help to prepare workforce and service leads to deliver two ICS outcome-based People Functions;

Leading coordinated workforce planning using analysis and intelligence

Leading workforce transformation and new ways of working

Training includes;

- Workforce Intelligence Portal (WIP) Training
- Demystifying Workforce Planning and Transformation Webinar
- Workforce Planning and Transformation Fundamentals Workshop
- Fasterclass, a simulated Workforce and Transformation course
- Integrated Workforce Planning and Transformation Masterclass Programme

[Find out more about the training offered and apply here](#) or [view this flyer for information about the training available](#).

The application window for Cohorts 16 & 17 of the Workforce Planning & Transformation Masterclass Programme is set to go live on 31st March until 28th April. This programme is a practical course across 18 weeks, where participants can work through the 6 steps of workforce planning and apply them to their real-life project. The programme is aimed at clinical and non-clinical staff with a specific workforce project. Applicants are advised to apply within multi-professional groups of 3-5 representatives from those involved in the project.

Please note the link to the application portal along session dates will be available on [London Workforce Planning & Transformation Resource Hub](#) by 31st March.

You can find out more at a Workforce Planning & Transformation Masterclass Information Webinar taking place on the 3rd & 9th April and you can [register here](#) to join.

Medical Chaperoning

- 26th March 2025, 13:00 - 16:00 [book here](#)

£95 per delegate (inclusive of VAT) subsidised for attendees from Londonwide practices.

Course Overview:

This interactive half day workshop is aimed at all clinical and non-clinical staff working in healthcare where they may be required to act as a chaperone or to make use of chaperones. It helps to fulfil the GMC requirement that chaperones themselves are trained and clinicians understand the role of a chaperone when one is required during a consultation.

All aspects of chaperoning are covered, including:

- patients' rights,
- consent,
- raising concerns,
- the roles and responsibilities of a chaperone, and
- the responsibilities for the clinician conducting an examination in the presence of a chaperone.

It meets the training recommendations outlined in the Model Chaperone Framework – Guidance on the role and effective use of chaperones in primary and community care settings (NHS Clinical Governance Support Team 2005).

Multiprofessional Differential Attainment Toolkit

The Multiprofessional Differential Attainment toolkit was developed by the NHS England Professional Support Unit, in collaboration with the Workforce, Training & Education Directorate, and stakeholders from NHS Providers and Higher Education Institutions from across London. The toolkit was derived from the Differential Attainment Toolkit for Doctors at the request and support of the Pan London Education Alliance, recognising this is illustrative of an issue that potentially impacts all healthcare professions.

The toolkit contains 5 chapters of resources for facilitators to use with clinical educators and supervisors from different healthcare professions. It can be delivered to groups of educators as a suite of resources or targeted at specific interventions. It is intended to stimulate discussion and support participants' knowledge of differential attainment.

The resource can be accessed via the NHS Learning Hub at

<https://learninghub.nhs.uk/Resource/61992/Item> If not already registered, you will need to create an account with the Learning Hub to access the resources

THIS WEEK

- **TogetherWeLearn's NMP Forum** - 25th Mar, 13:00-14:00 email
