### Shine The Light on Sickle Cell

- 18th June, 10:00—14:00, in person @Anerley Town Hall, SE20 8BD [book here](#)

Penge PCN invites you to Anerley Town Hall for an impactful event shedding light on Sickle Cell.

They're bringing together patients, families, and the wider community for an important conversation around Sickle Cell Disease. Hear from a powerful guest speaker who lives with sickle cell and will share their personal journey. Meet NHS clinicians who will provide expert advice on managing symptoms, spotting early signs, and supporting loved ones. Enjoy light refreshments and connect with others in a supportive and welcoming environment.

Whether you're living with sickle cell, caring for someone who is, or simply want to learn more — this event is for you.

### London Living Wage in Primary Care Webinar

- 12th June, 13:00—14:00 [book here](#)

The workshop will cover:

- What the real Living Wage is
- Reflections from Living Wage Employers in primary care on implementing the real Living Wage
- The context in London to support local communities to thrive and survive
- Worker, business, patient and public health benefits to paying the real Living Wage
- Common challenges and solutions

The real Living Wage is the only UK wage rate based on the cost of living and is currently £12.60 per hour and £13.85 per hour in London. Accredited Living Wage Employers choose to pay the rate to directly employed staff, as well as regularly contracted third-party staff. You can find out more about becoming a Living Wage Employer on the Living Wage Foundation's website and make use of the NHS toolkit for information specific to health employers, case studies and more. If you would like to talk to a member of the Living Wage Foundation team about joining the Living Wage movement, please email [bethan.spacey@livingwage.org.uk](mailto:bethan.spacey@livingwage.org.uk). As part of NHS London's ambitions to support the payment of the London Living Wage, colleagues from the [NHS London Anchor Programme](#) are supporting this event.

### Newly Qualified Pharmacist Prescribers Service Vision Survey

Pharmacist undergraduate training is undergoing implementation of reforms to the pharmacy degree and foundation/pre-registration training year to ensure pharmacists join the register with the skills and knowledge required to support current and future clinical services. As part of this, independent prescribing training has been integrated into undergraduate courses. Pharmacists who qualify and join the professional register from 2026 will register as qualified independent prescribers. Further information on this reform work is available here: <https://www.hee.nhs.uk/pharmacy/implementing-foundation-pharmacist-training-year-2025-26>

The Royal Pharmaceutical Society are reviewing the current post-registration pharmacist training curricula to align with these changes to ensure it supports the training and development of newly qualified pharmacists including their potential role as prescribers. The purpose of the survey is to capture organisation feedback on future services to inform the new curricula and ensure it meets employers and organisations training needs.

If you have any questions about the survey, please contact the RPS at [Credentiaing@rpharms.com](mailto:Credentiaing@rpharms.com).

Please [follow this link](#) to the newly qualified pharmacist prescribers (NQPPs) service vision survey. The survey should take no longer than 10-15 minutes to complete and your responses will help to guide the development of the updated RPS credentialing curriculum to support the development of NQPPs. We ask that responses are submitted by **Friday 16th May 2025**.
