developments in policy, practice, and professional development.

Consultant Practice Unpacked: Progress, Purpose, and Possibilities

Addressing Systemic Discrimination Development Sessions

• Support Participants to be more aware of systemic discrimination

5th February, 9:00—13:30 @ PCS 160 Falcon Road, SW11 2LN book here

• Help participants to explore how they might improve the healthcare experience

• Explore the role that participants can play in taking action to reduce inequalities

The Shapes Toolkit was created by Dr Rachel Morris, host of the You Are Not A Frog

podcast. Rachel invites healthcare professionals to make a deliberate choice about how

they will live, work and lead their teams so that they can thrive in work AND life. This

opportunity is open to all colleagues working in general practice across North West

This is in two parts; you must book both a part 1 and a part 2 session individually.

- Friday 16th January 13.30-17.00 – <u>book here</u> (Delivered by: Dr Pippa Woolner)
