Multi-professional Supervisor Course **New course dates —APPLY NOW**
[Application form](#)

Complete the application form to attend the next cohort, dates below or to be added to the waitlist for future cohorts;
- 31st March, 7th May, 20th May, & 7th July, 9:00-17:00
You must attend all sessions to complete this course.

Contraception Training for Pharmacists
- 2nd & 9th March 2026, 9:30—17:00 [book here](#)

The course will look to cover:

- An introduction to contraceptive counselling and management within General Practice. This course will improve understanding of the safe counselling and administration of the different contraception methods offered.
- Clinician's will be able to understand their level of clinical competency in offering this within their current role and contraception offered within General Practice.
- This training will enable practitioners to understand the most commonly used contraception, and to be able to give safe and tailored care to patients.

Personalisation Networking Day
- 6th March 2026, 10:00—14:30 @ St Pauls Church in Hammersmith, W6 9PJ [book here](#)

Open to Social Prescribing Link Workers, Care Co-ordinators, Neighbourhood Navigators and Health & Wellbeing Coaches.

This is the 3rd Personalisation Networking Day. Join us for a dedicated Personalisation Networking Day, bringing together colleagues and partners to connect, learn and share best practice.

The day will offer valuable networking opportunities, updates on Neighbourhood Health and the latest ICB developments, alongside training updates. There will also be present some key 3rd party stakeholders joining the day. You'll also have the chance to take part in a range of wellbeing activities, designed to support your own health and resilience.

A great opportunity to build relationships, stay informed and focus on wellbeing.

Information from NHSE WT&E on 2027-2028 Foundation Trainee Pharmacist Recruitment Scheme
Information is for **prospective employers who may wish to employ a Foundation Trainee Pharmacist** can be [found here](#)

Please read the detailed guidance carefully, which includes links to relevant NHSE documents and contact email information.

Details of February drop in sessions, where NHSE colleagues will be available to answer questions, are also included.

Application deadline of **Tuesday 3rd March 2026 at Midday**.

NHSE Prescribing Infrastructure Project
The North West London Training Hub have been asked to undertake a piece of work in relation to Mapping and Training of current and prospective Designated Prescribing Practitioners (DPPs) and Designated Supervisors (DS) by NHS England WT&E colleagues.

This piece of work will help to inform and build on capacity for Foundation Pharmacist Learning and Independent Prescribing Programmes across different parts of the NHS London system.

[Clinical Pharmacist Designated Prescribing Practitioner Support Document](#)

If the relevant Healthcare Professionals could complete the linked survey below, which should take approx. 10 mins maximum, if you have been or wish to be a DPP/DS – This includes Pharmacists, GPs, Nurses, Paramedics and other roles who are Independent Prescribers.
<https://form.typeform.com/to/qIKGGdK0>

Thank you in advance for your help in this piece of work.

Puja Nathwani – NW London Prescribing Infrastructure Lead & Jon Ord – NW London Training Hub

Final spaces remaining on Care Planning Training
- Session 1: Thursday 5th February 2026, 09:30-13:00 [book here](#)
- Session 2: Thursday 26th February 2026, 09:30-13:00 [book here](#)

You need to book on both sessions to complete the course.

This programme focuses on practical conversational skills to make care planning conversations easier, quicker, more satisfying, and more effective at engaging patients. The training addresses challenges that health professionals have told us matter most, including:

- Engaging patients who aren't prepared or willing to participate
- Introducing sensitive or difficult topics
- Managing third-party involvement and conflicting family dynamics
- Supporting patients who find forward planning difficult
- Balancing meaningful conversation with template requirements
- Collaborative goal-setting and action planning techniques

The training draws from our [Coaching for Health model](#), adapted specifically for care planning conversations, and incorporates real scenarios from local practice.

Any questions please email fonnuala.odonnell@nhs.net

- Explore the deaf community & culture

New To Immunisation 2- day training

- Day 1 Online: 10th February, 13:00 - 16:30

- Day 2 Face to Face: 11th February, 09:00 - 17:00 [book here fully booked](#)

This two-day immunisation programme is delivered as a blended course, comprising a 3.5-hour live webinar followed by one full day of face-to-face training. The course aligns with the updated standards published in June and includes a dedicated focus on the management of misinformation and disinformation, recognising their increasing impact on immunisation practice and patient engagement.

You have to attend both days to successfully finalise this training.

Travel Health Updates

- 13th February, 9:00—12:00 [book here fully booked](#)

- 14th April, 13:00—16:00 [book here limited spaces](#)

- 3rd June, 13:00—16:00 [book here spaces available](#)

- 16th July, 13:00—16:00 [book here spaces available](#)

- 7th October, 13:00—16:00 [book here spaces available](#)

- 17th November, 13:00—16:00 [book here spaces available](#)

Open to all trained Nursing and Pharmacist immunisers (suitable for registered Nursing Associates and Pharmacy Techs already doing child/travel immunisations but not suitable if they have not done any introductory training as not sufficient detail)

3-hour online travel health updates for experienced practitioners; usually nurses and pharmacists, offering travel immunisations already.

Seasonal Immunisation Updates

- 16 dates available from June to October 2026 [book here spaces available](#)

3-hour online seasonal immunisation updates for all experienced Health Care Professionals; Nurses, Paramedics, Pharmacists, Nursing Associates, Pharmacy Techs and the non-registered workforce (includes HCAs, HCSWs, and Phlebotomists, receptionists etc) to deliver flu, pneumococcal, shingles, RSV and COVID vaccines.

Child Immunisation Updates

- 11 dates available from 3rd February to 18th November 2026 [book here spaces available](#)

3-hour online child immunisation updates for experienced practitioners; usually nurses, nursing associates and pharmacists, delivering child immunisations already.

Motivational Interviewing for Cardio-Renal Care—Live Online Interactive Study Day

- Dates from February to April [available here spaces available](#)

Booking Options: Attend as a full day or across two half-day sessions (AM/PM mix & match available). **Book here**

This training is for: GPs, Nurses, ARRS staff, Allied Health Professionals, Cardio-renal teams (clinical & non-clinical)

If you spend your time telling people what they should / could / need to do — this is for you. This is a live, online, interactive training for the whole / cardio-renal team — from non-clinical staff to senior clinicians. Practical focus. Real scenarios. No death-by-PowerPoint. No awkward role play.

New to Anticoagulation Training

- 18th February 2026, 9:30—12:30 [book here limited spaces](#)

- 18th February 2026, 14:00—17:00 [book here limited spaces](#)

This training is for staff new to anticoagulation monitoring (Nurses, Nursing Associates, Health Care Support Workers, Pharmacists, and GPs). It covers:

- **Warfarin:** Do's and don'ts of INR management (normal ranges, high/low INR), using INR machines and INRstar, levels of responsibility, and patient education.
- **DOACs:** Do's and don'ts, initiation, monitoring, patient education, and dose reduction per guidelines.

Anticoagulation Update Training

- 16th March 2026, 13:00—16:00 [book here fully booked](#)

This training provides an update for staff involved in anticoagulation monitoring (Nurses, Nursing Associates, Health Care Support Workers, Pharmacists, and GPs). It is intended for those with prior experience who need a refresher. Topics include:

- **Warfarin:** Do's and don'ts of INR management, normal ranges, actions for high/low INR, LMWH use (when, why), and patient education.
- **DOACs:** Do's and don'ts, initiation, monitoring, patient education, and dose reduction per guidelines.

Performing ECG Training

- 17th June 2026, 9:15—16:30 [book here](#) @ Harrow Baptist Church, HA1 1BA [limited spaces](#)
