Motivational Interviewing for Cardio-Renal Care– Live Online Interactive Study Day

- 14th April, 9:00–16:00 [book here fully booked](#)
- 15th April, 9:00–16:00 [book here spaces available](#)
- 21st April, 9:00–16:00 [book here spaces available](#)
- 14th May, 9:00–16:00 [book here spaces available](#)
- 15th May, 9:00–16:00 [book here spaces available](#)
- 20th May, 9:00–16:00 [book here spaces available](#)
- 19th June, 9:00–16:00 [book here spaces available](#)

This training is for: **GPs, Nurses, ARRS staff, Allied Health Professionals, Cardio-renal teams (clinical & non-clinical)**

If you spend your time telling people what they should / could / need to do — this is for you.

This is a live, online, interactive training for the whole cardio-renal team — from non-clinical staff to senior clinicians. Practical focus. Real scenarios. No death-by-PowerPoint. No awkward role play.

NHSE Prescribing Infrastructure Project

The North West London Training Hub have been asked to undertake a piece of work in relation to Mapping and Training of current and prospective Designated Prescribing Practitioners (DPPs) and Designated Supervisors (DS) by NHS England WT&E colleagues.

This piece of work will help to inform and build on capacity for Foundation Pharmacist Learning and Independent Prescribing Programmes across different parts of the NHS London system. [Clinical Pharmacist Designated Prescribing Practitioner Support Document](#)

If the relevant Healthcare Professionals could complete the linked survey below, which should take approx. 10 mins maximum, if you have been or wish to be a DPP/DS — This includes Pharmacists, GPs, Nurses, Paramedics and other roles who are Independent Prescribers. <https://form.typeform.com/to/qiKGGdKO>

Personalised Care

- 14th April, 10:00 – 10:45 [book here](#)

This webinar will showcase the Improving Personalised Care and Support study, which brought together people living with colorectal cancer and their clinicians to co-design meaningful improvements in personalised care. It will explore:

- Why personalised care matters
- What good conversations look like in practice
- The co-designed resources developed through the study
- Next steps for implementation

Boots Macmillan Professionals

- 15th April, 12:30 – 13:15 [book here](#)

This webinar will highlight the No7 Boots Macmillan Beauty Advisor and Boots Macmillan Opticians Professionals services available across UK stores.

You will hear directly from Boots professionals about:

- Support for visible side effects of cancer treatment
- Help with ocular (eye-related) side effects
- How they guide people to additional support services

Using ACCEND to guide your personal development

- 30th April, 10:00 – 10:45 [book here](#)

This webinar will help you to understand the key elements of ACCEND and learn how you can use it confidently to guide your own professional development.

We'll join the dots between levels of practice, capabilities and education and look at tools to support you - whether you're completely new to ACCEND or looking to build on the progress you've already made.

Discover Macmillan Services

- 13th May, 12:00 – 13:00 [book here](#)

Join this webinar to explore how Macmillan provides vital, wrap-around support for people affected by cancer, every day of the year. Our range of Direct Services are delivered and coordinated by expert nurses, advisors and knowledge specialists, offering trusted clinical information, emotional support and enabling vital peer to peer connection.

You'll hear how the Online Community, the Macmillan Support Line, Macmillan Buddies and more, support tens of thousands of people each year and learn how, as a professional, you can confidently signpost patients, families and carers to the right support at the right time.

Medical chaperoning

- 17th June, 9:30 - 12:30 [book here](#)

£95 per delegate (inclusive of VAT) for attendees from Londonwide practices.

£120 per delegate (inclusive of VAT) for attendees from practices from other areas.

For clinical and non-clinical staff working in general practice where they may be required to act as a chaperone or to make use of chaperones.

This interactive half day workshop is aimed at all clinical and non-clinical staff working in healthcare where they may be required to act as a chaperone or to make use of chaperones.

The workshop meets the training recommendations outlined in the Model Chaperone Framework – Guidance on the role and effective use of chaperones in primary and community care settings (NHS Clinical Governance Support Team 2005) and follows the latest GMC and NHS guidance (Improving chaperone practice in the NHS; key principles and guidance Dec 2025). All aspects of chaperoning are covered in this workshop, including patients' rights and the roles and responsibilities of being a chaperone and also the responsibilities of those conducting intimate examinations.

Asthma Masterclass for Primary Care: Practical Assessment and Management

- 24th June, 9:00- 16:00 [book here](#)

£190 per delegate (inclusive of VAT) for attendees from Londonwide practices.

£240 per delegate (inclusive of VAT) for attendees from practices from other areas.

For GPs, Nurses, Physician Assistants, and other Allied Health Professionals

This course is designed to provide healthcare professionals in general practice with comprehensive knowledge and practical skills to effectively diagnose, treat, and manage asthma. This course will enhance your understanding of asthma's pathophysiology, diagnosis, assessment, and evidence-based management strategies. Through a combination of interactive lectures, case studies, and hands-on workshops, you will gain the confidence and expertise to optimize patient care and improve outcomes for individuals with asthma.

Medical terminology

- 25th June, 9:30 - 12:30 [book here](#)

£95 per delegate (inclusive of VAT) for attendees from Londonwide practices.

£120 per delegate (inclusive of VAT) for attendees from practices from other areas.

This course is aimed at non-clinical staff who come into contact with medical terminology on a regular basis as part of their role in general practice, but who have not come from a medical background.

- 17th September, 9:30–16:30 [book here](#) @ Dawes Road Hub, SW6 7EN [fully booked](#)

More dates to be confirmed

*We are delivering this training using a cost-sharing approach. This enables us to support wider staff participation across the system, maintain a high standard of training delivery, and ensure can meet national requirements.

This year, the Training Hub is able to cover 50% of the training cost to widen access.

Please note that future funding from NHSE/ICB is not guaranteed, so employers may need to fully fund places in subsequent years.

Enhanced Services and CPD

If all dates are **fully booked** for a training please join the waitlist, this allows us to know when there is sufficient demand for us to book new dates.

Deaf Awareness

- 12th May, 9:30–12:30 [book here fully booked](#)

Learning Outcomes

- Identify the barriers that deaf and hard of hearing people face
