NWL Training Needs Analysis Survey — Now Live

-Open until Friday 16 May 2026 Complete the survey here:→ [NWL TNA Survey — Typeform](#)

The NWL-wide Training Needs Analysis (TNA) survey is now live and open to all staff. It takes approximately 7 minutes to complete and we would really appreciate you taking the time to fill it in and share your information — your responses will directly help us understand what training is needed and tailor our offer accordingly.

Every response counts, and the more information we receive, the better placed we are to develop a training programme that truly reflects the needs of our workforce across NWL.

*We are delivering this training using a cost-sharing approach. This enables us to support wider staff participation across the system, maintain a high standard of training delivery, and ensure can meet national requirements.

This year, the Training Hub is able to cover 50% of the training cost to widen access.

Please note that future funding from NHSE/ICB is not guaranteed, so employers may need to fully fund places in subsequent years.

Enhanced Services and CPD

If all dates are **fully booked** for a training please join the waitlist, this allows us to know when there is sufficient demand for us to book new dates.
