Webinar | Unscheduled Bleeding on HRT Webinar | 2026/27

-Thu, 2 July 2026, 1:30 pm- 2:30 pm- [book here](#)

This interactive webinar explores the management of unscheduled bleeding in women on hormone replacement therapy (HRT), delivered by Ms Esha Saha, Consultant in Obstetrics and Gynaecology and Lead for Menopause Service at St George's University Hospital NHS Foundation Trust, and British Menopause Society accredited Menopause Specialist.

Drawing on current national guidelines, the session covers the prevalence, causes, and management of bleeding on HRT, with a focus on practical application in primary care settings.

By the end of this session, clinicians will be able to:

Apply risk stratification approaches for patients on HRT presenting with unscheduled bleeding

Identify key risk factors and clinical indicators

Use clinical checklists to support thorough patient assessment

This session is aimed at multidisciplinary primary care clinicians.

News shared on behalf of NHSE| PA Preceptorships Update

Funding for Physician Associates Preceptorships will be paused starting April 2026. We will keep you informed should there be any updates or changes to this decision. As a result, preceptorship funding for primary care physician associates (now assistants) will not be available for the 2026-27 period until further notice.

We want to express our sincere appreciation to everyone who has contributed to and continues to support physician associates. Your dedication has been invaluable. The PA programme is currently undergoing changes following the Long Review, and additional information will be published both on the NHSE website and the London PA Futures page as it becomes available.

If you have any questions or need further clarification, please feel free to contact Cathy Juta at [c.juta@nhs.net](#).

Focus on...Unscheduled Bleeding on HRT

Thursday 2nd July 2026 – 1:30PM - 2:30PM

Join us for this interactive session

This interactive session addresses unscheduled bleeding management in women on HRT and is delivered virtually for clinical accessibility.

Learning Objectives
Content is based on current national guidelines, covering prevalence, causes, and management of bleeding on HRT.

Target Audience and Delivery
Targeted at multidisciplinary primary care clinicians, the session is delivered by an experienced menopause specialist.

Training | Clinical Supervision Training for GP Nurses

-11/09/26 or 12/09/26—Apply here

Do you want to train to be a Clinical Supervisor and be paid to run Clinical Supervision Sessions?

We surveyed several senior nurses in primary care in NWL to ask what was missing / what did we need to do more of, to support you all working in practice. Overwhelmingly, they asked for Clinical Supervision.

For GPNs to have clinical supervision sessions, we need CS facilitators – i.e. people to run the sessions. This training will aim to train anyone interested in doing this. The skills you gain from this training will also help with you being able to support other colleagues / trainees elsewhere.

Please note the following information:

- If you sign up to this training, you MUST then agree to run sessions approximately 6-8 months of the year, starting in October 2026 and depending on the number of people who train to be a facilitator in your Borough.

- The sessions would be monthly and online, and you would be paid £50 per session (each session would be an hour and probably during a lunchtime).

- Alison, who is running the training sessions, will also try to attend your first session to help / support / guide you through this.

- 2-3 people per Borough will be able to access this training and then they will share the running of the sessions in their Borough going forwards.

- To apply to do the training, please click on the link and answer the relevant questions. We will note the answers and time of applying which will help to inform us to decide who does the training.

- This is a pilot and if successful, we will aim to apply for further funding to keep it going.

Survey | NHSE Prescribing Infrastructure Project

The North West London Training Hub have been asked to undertake a piece of work in relation to Mapping and Training of current and prospective Designated Prescribing Practitioners (DPPs) and Designated Supervisors (DS) by NHS England Wt&E colleagues.

This piece of work will help to inform and build on capacity for Foundation Pharmacist Learning and Independent Prescribing Programmes across different parts of the NHS London system. [Clinical Pharmacist Designated Prescribing Practitioner Support Document](#)

If the relevant Healthcare Professionals could complete the linked survey below, which should take approx. 10 mins maximum, if you have been or wish to be a DPP/DS – This includes Pharmacists, GPs, Nurses, Paramedics and other roles who are Independent Prescribers. [https://form.typeform.com/to/kKGGdK0](#)

Survey | NWL Primary Care Physician Associate Role Survey

Some PAs have experienced changes to their role since recommendations from the Long review were released. Please complete this survey to help us capture your experience and help inform our PA framework is working consistently and within its full scope across the boroughs we serve!

[Please share your views here](#)

Calling all NWL Advanced Practitioners!

Survey & Forum | ACP support and new resources

- If you haven't already, please click the link and fill out this short survey, so we can ensure that you are included - [https://form.typeform.com/to/CsVniTg](#)

North West London Training Hub are keen to offer increased support and new resources, to our Advanced Practitioners. We will be working closely with the London Regional Faculty for Advancing Practice, to provide the latest updates, resources and guidance for anyone working at Advanced Practice level across NWL. We will also be starting a new NWL AP Teams channel, as a dedicated space for communication and to connect with colleagues. We are keen to engage with our Advanced Practitioners, so you have

We would also like to invite you to our first NWL Advanced Practitioner Forum on Thursday 9th July from 1 ~ 2pm, where we will share upcoming plans and welcome your feedback and ideas. [Please click this link to add the forum joining details to your calendar](#). We look forward to working with you!

Training:

Expressions of Interest for PG Cert in Clinical Education

What is a PG Cert in Education?

The Post Graduate Certificate in Education is a yearlong course in a university and is all about learning how to teach, supervise, assess and evaluate within a Clinical setting. For example, you may want to become or already are a Nurse Education Lead in your PCN. This course will give you an excellent foundation to develop your skills and knowledge and enable you to further your educational career.

Who is the training for?

The funding is aimed at General Practice Nurses who want to become involved in the Education and Training of others in the clinical setting.

When does the course start and What is the time commitment?

The courses start in September and last a full academic year. You will probably need to take a day out of work a week to complete this course during University term time. You will also need to allow time at weekends etc to complete assignments.

What are the entry requirements?

You need to have studied to degree level in the past to study at a Post Graduate level and you need to be a GPN working in a practice in NWL.

How is it funded?

There is a £5,000 bursary that covers the cost of the course which is paid directly to the university. There is also a bursary of £4,000 which will be provided to your employing practice for supervision and education support (and to possibly cover for when you are not working).

If you are interested in doing the PG Cert or would like more information, please complete the [Expression of Interest Form](#) and send to [sally.armstrong@nhs.net](#) and [a.olagun@nhs.net](#) by the 31st July.

Oliver McGowan training

Which tier of training you need to attend will depend on the nature of your role and how much you interact with patients. Both tiers are required to undertake two parts to complete this training, the parties and tiers are outlined below. Please ensure you book the right tier for your role.

Tier 1: staff with **indirect or occasional contact with patients**, i.e. non-patient facing roles.

Tier 1, Part 2—various dates and times from 14 May [book here](#) £7 per person*

- 23 July 10:30–11:30 [book here](#) spaces available

- 29 July 10:30–11:30 [book here](#) spaces available

- 4 September 10:30–11:30 [book here](#) spaces available

- 15 September, 10:00–11:00 [book here](#) spaces available

- 15 September, 12:30–13:30 [book here](#) spaces available

- 15 September, 14:30–15:30 [book here](#) spaces available

More dates to be confirmed

Tier 2, Part 2 with **regular or direct contact with patients**, i.e. patient facing roles. This include all staff who provide care, support or make decisions, this is not limited to clinical roles.

Tier 2, Part 2—various dates from 23 April, in person [book here](#) £40 per person*

- 06 July, 9:30–16:30 @ Sobus Hub, Fulham

- 07 July, 9:30–16:30 @ The Pinn Medical Centre, Harrow—spaces available

- 11 July, 9:30–16:30 @ The Pinn Medical Centre, Harrow—spaces available

- 15 July, 9:30–16:30 @ Sobus Hub, Fulham

- 21 July, 9:00–17:00 @ The Pinn Medical Centre, Harrow—spaces available

- 30 July, 9:30–16:00 @ Pembroke Centre, Ruslip Manor

- 04 August, 9:30–16:00 @ Pembroke Centre, Ruslip Manor

- 11 August, 9:30–16:30 @ Sobus Hub, Fulham

- 25 August, 09:00–17:00 @ The Pinn Medical Centre, Harrow—spaces available

- 02 September, 9:30–16:00 @ Sobus Hub, Fulham—spaces available

- 08 September, 9:30–16:30 @ Sobus Hub, Fulham—spaces available

- 09 September, 9:30–16:30 @ Harrow Masonic Centre, Harrow—spaces available

- 15 September, 09:00–17:00 @ The Pinn Medical Centre, Harrow—spaces available

- 17 September, 9:30–16:30 @ Sobus Hub, Fulham

- 24 September, 09:00–17:00 @ The Pinn Medical Centre, Harrow—spaces available

- 29 September, 9:30–16:00 @ Sobus Hub, Fulham—spaces available

- 08 October, 9:30–16:00 @ Sobus Hub, Fulham—spaces available

- 04 November, 9:30–16:00 @ Sobus Hub, Fulham—spaces available

More dates to be confirmed

*We are delivering this training using a cost-sharing approach. This enables us to support wider staff participation across the system, maintain a high standard of training delivery, and ensure can meet national requirements.

This year, the Training Hub is able to cover 50% of the training cost to widen access.

Please note that future funding from NHSE/ICB is not guaranteed, so employers may need to fully fund places in subsequent years.

Enhanced Services and CPD

If all dates are **fully booked** for a training please join the waitlist, this allows us to know when there is sufficient demand for us to book new dates.

Accelerate Academy: Introduction to teaching and learning for healthcare professionals- this course is open to nursing staff

-This course is completed over two days 09:30 – 16:00. 4th and 18 th November 2026— [Express your interest here](#)

- 8 October, 13:00–16:30 [book here](#) spaces available

- 18 November, 13:00–16:30 [book here](#) spaces available

3-hour online child immunisation updates for experienced practitioners; usually nurses, nursing associates and pharmacists, delivering child immunisations already.

Motivational Interviewing for Cardio-Renal Care—Live Online Interactive Study Day

- [book here](#)

- 15 July, 09:00–16:00—spaces available

- 16 July, 09:00–16:00—spaces available

- 15 September, 09:00–16:00—spaces available

- 01 October, 09:00–16:00—spaces available

This training is for: GPs, Nurses, ARRS staff, Allied Health Professionals, Cardio-renal teams (clinical & non-clinical)

If you spend your time telling people what they should / could / need to do — this is for you.

This is a live, online, interactive training for the whole cardio-renal team — from non-clinical staff to senior clinicians. Practical focus. Real scenarios. No death-by-PowerPoint. No awkward role play.

CYP Asthma Inhaler Technique Training — Further Cohorts Now Scheduled

Further cohorts of the Enhanced Service Inhaler Technique (NWL CYP Asthma, Tier 3-aligned) training have been scheduled. This training is aimed at nurses, pharmacists, GPs and AHPs involved in asthma and COPD chronic disease management. Please note that bookings from Healthcare Assistants and Nursing Associates will not be accepted.

This training is suitable for those who **have not yet attended**. If you have already completed the training, you do not need to attend again — if you book, you will be placed on the waiting list and if spaces are available closer to the date you will be contacted.

Book your space:

[book here](#)—spaces available

ECG Interpretation Foundation –a face to face session for GPs & ACPs.

-27 November, 9:00–16:00 [book here](#) @ Harrow Baptist Church, HA1 1BA spaces available

This is for GPs and ACPs who haven't already attended the interpreting ECG Course.

Refresher Interpreting ECG course

- 18 September, 12:30–14:00 [book here](#) spaces available

The refresher ECG course re-introduces a systematic approach for GPs who interpret ECGs to adopt a system that ensures every ECG is interpreted correctly every time. The focus will be on common scenarios that cause concern in primary care with a focus on red-flag ECGs.

This course is for GPs and ACPs who have already attended the interpreting ECG Course

Adult Phlebotomy

- 4 August, 9:15–16:30 [book here](#) @ Dawes Road Hub, SW6 7EN spaces available

- 7 October, 9:15–16:30 [book here](#) @ Harrow Baptist Church, HA1 1BA spaces available

- 3 December, 9:15–16:30 [book here](#) @ Dawes Road Hub, SW6 7EN spaces available

This face to face session has been developed to allow learners the opportunity to practice their skills on high quality simulated arms.

Advanced Diabetes Course

For GPNs and Pharmacists — you must have attended the foundation course before attending this advanced course.

GPs— please be sure to provide a summary of your diabetes related work undertaken. [Express your interest here](#)

Advanced diabetes Update course: This course is for:

Those who finished advanced diabetes (2.5 days injectable therapies course)
[Express your interest here](#)

Wound Care Training

- 9 July, 9:15–16:30 [book here](#) @ Dawes Road Hub, SW6 7EN fully booked

This training is for HCSWs/HCAs who will be expected to undertake simple wound care procedures. This training is for HCAs with Care Certificates. GPN Trainees can attend and need no practice nurses for HCAAs

Advanced Wound Care Training for HCAs

- 5 August, 9:15–16:30 [book here](#) @ Dawes Road Hub, SW6 7EN fully booked

This session is aimed at HCAs who have some basic knowledge and experience of wound care and wish to extend their skills to be able to perform wound and staple removal and take a swab correctly.

Ring Pessary Foundation course

- 6 October, 9:00–12:00 [book here](#) @ Dawes Road Hub, SW6 7EN fully booked

- 8 October, 13:00–16:00 [book here](#) @ Dawes Road Hub, SW6 7EN limited spaces

This course is for: GPs & Nurses only. PAs who have been doing cervical screening smear for longer than a year can attend.

Essentials of Menopause Care

-17th July 11:30–3:30 [book here](#) spaces available

-9 October, 11:30–3:30 [book here](#) fully booked

This course is aimed at GPs, ANPs, nurses & physician's associates providing menopause care within primary care settings

The course provides an introduction to menopause care and a structured update for more experienced clinicians. It focuses on developing confidence in assessment, management, and discussion of menopause-related care needs in line with current guidance.

ARRS Training Offers

ARRS 2 Day Foundation Health Coaching Course

Building on previous work the past 3 years, the NWL London Training Hub are using digital with previous Peak Health Coach to provide the PCI approved core required 2-day health & role coaching programme for the new to role Social Prescribing Link workers and Care Co-Ordinators. Due to requests for development, the 2-day Foundation Health Coaching course will now also be opened up to additional clinical roles - **Clinical Pharmacist, Dieticians, FNP, Physiotherapists, Physician Associate & Paramedics** to aid in these roles support of long-term condition management. [Please note this course will not be relevant for all of these roles, please only apply if it is relevant to your daily practice due to funding limitations.](#)

The 4 Day Intermediate Health Coaching course required for Health & Wellbeing Coaches new to role, may still be available so please email directly to enquire about this.
