

Considering an Apprenticeship?
Join Our Insightful Session!
Information & Guidance (IAG) Webinars
For Learners, Line Managers & Commissioners

LIGHTHOUSE GROUP

Meet the Lighthouse Team

Matt, our Client Relationship Manager -
Your host for the session, ready to answer questions and explain how Lighthouse can support your journey.

Our expert tutors -
Talk to our friendly, knowledgeable, and supportive. They'll introduce our programmes, share insights, and guide you through what to expect.

What You'll Gain from the Webinar

- A realistic picture of what an apprenticeship involves – your journey, expectations, and commitment.
- Clarity on how programmes work, with myths busted and questions answered.
- An understanding of how new skills and knowledge will boost your career and impact your workplace.
- Join a smaller breakout group focused on the apprenticeship you're most interested in. Whether you're interested in:
  - Business Administrator - Level 3
  - Customer Service Specialist - Level 3
  - Associate Project Manager - Level 4
  - Career Development Professional - Level 6

  we'll be there to help you explore your options and find the right pathway for you.

Why Choose Lighthouse?

- ✅ Leadership & Management Development Specialists.
- ✅ To help people discover their potential, develop their confidence and make a positive difference - to themselves, their teams and the organisations they work in.
- ✅ Personalised guidance and expert support at every stage of your learning journey.
